CLASS OF 2010

Letter from the Headmaster

To the Class of 2010,

It is an absolute pleasure to congratulate you as you prepare to graduate from our "Castle on a Hill" and begin the next phase of your life's journey. You have been a remarkable group of young people and I am confident that your success will continue in college and in your careers.

It is particularly exciting for me to celebrate with the Class of 2010 this Spring as you will be my first graduating class at Brighton High School with me as Headmaster. I entered Brighton High School midyear in the midst of a tough start to the 2009-2010 school year. For many you it was business as usual; for me it was taking on the leadership of one of Boston's oldest and most successful schools. I am proud of how we have worked together to make Brighton High School an even better school. I'll never forget the bonds we've forged in our short time together.

As you leave our school and prepare to take the next steps in your life, remember that your education is not complete. To truly be successful long term you will need to continue your education in some form. Your chosen path can be college, business or technical school, military service, or on the job training. Your high school graduation is a great accomplishment within itself and should be used as a stepping-stone to reaching your goals in life. The Brighton High School community has seen you succeed and flourish, and we know that you will continue to do so in college and beyond.

On behalf of the entire administration and faculty, I wish all of you satisfaction and success as you go forward in life as alumni of Brighton High School.

Sincerely,

Fred McDowell
Headmaster

Assistant Headmasters

Dear Member of the Class of 2010,

Congratulations to each one of you! It has been a pleasure to work with all of you because as a class, you have accomplished a great deal. You have excelled in school plays; academic, athletic, and military competitions, blood drives and other community service activities. Many of you traveled to Washington, D.C. to witness the inauguration of Barack Obama, our first African-American president. Most recently, you responded quickly to rally the entire Brighton High community to support the earthquake victims in Haiti. Your efforts and achievements are truly remarkable!

But these activities are truly only the beginning of a lifelong journey that should bring you even greater opportunities and continuing success. Many of you have overcome difficult challenges to earn your diplomas, but you have also learned the importance of hard work and perseverance. That lesson should stay with you throughout your lives. Use these lessons of hard work and perseverance to continue to grow as individuals; to continue to pursue every educational opportunity; to continue to give back to your community. My wish for all of you is much success and happiness as you each pursue your personal journey. Please stay in touch and help us continue to guide future graduates!

Sincerely,

Joyce Campbell
Assistant Headmaster
